

Do What You Love...Where You Love!

We empower our clients to move their mountains, while living in the mountains

Paediatric Occupational Therapist

Take Over Existing Caseload - Regular New Referrals – Mentorship – Work / Life Balance

Do you love empowering and supporting children and their families? Are you inspired to make a major impact on individuals and the community at large? Do you thrive in strong team relationships? Are you looking to do what you love, living in a place that you love?

We are Movin' Mountains Therapy Services, a multidisciplinary clinic servicing Greater Trail and its surrounding communities (Rossland, Castlegar, Nelson and Grand Forks). We are a team of various therapies (OT, PT, SLP, CC) who work collaboratively with people throughout their lifespan. We are situated in a health and wellness building in downtown Trail that includes other complimentary services such as a gym, massage therapists and kinesiologists. We are a team who love to have fun, work together and innovate, and we love what we do (in work and play!) Our mission is to empower and support individuals to overcome barriers, live well and do the things they love to do.

It's great to meet you! Meet our team: <http://movinmountainstherapy.com/about/meet-the-mm-team/>
